SCHOOL UNIFORM

Governors and staff would like to thank you for sending your child into school wearing their school uniform and black shoes. Visitors regularly comment on how smart and well behaved our children are and that they are a credit to both their parents and the school.

Playgrounds

We are sure by now that you will have noticed the new surface to the Key Stage 1 Playground. The children are really enjoying playing on this and we have also noticed a few parents racing up and down the track.

We are now making plans to get quotes and begin fundraising to provide a new surface for the Key Stage 2 Playground. The School Council have met with one of the suppliers to give their ideas, ask questions and have begun to gather ideas from children across Key Stage 2 classes.

Website Reminder

If you want to keep up to date with what's happening in school please check out our web site www.stalphonsusrcschool.co.uk. We try to ensure that all useful information such as lunch menus, newsletters, letters and dates are all available there.

PARENT VIEW

Parent View gives you the chance to tell Ofsted and us what you think about our school. If you have a few minutes, please log on to the website below and register and complete a short series of questions about various aspects of school life. Thank you.

School Dinners

If you wish to change lunch preferences for your child please let the office know ready for the start of the new term.
